# Dashboard

- 1 Dashboard is the main hub for editing student loan information, payment plans and viewing data
- 2 Payment Schedule is a timeline grouped by months. Takes the users current payment plan and shows recurring and one-time payments
- 3 Additional Resources for learning about finances.

## Dashboard - Loan

The screenshot displays a web application for loan management. At the top, a navigation bar includes a home icon, a search bar, and links for 'Dashboard', 'Payment Schedule', and 'Resources'. A 'Login / My Account' link is located in the top right corner. The left sidebar features two main sections: 'Loans' and 'Payment Plans'. The 'Loans' section lists 'Subsidized Loan 1', 'Subsidized Loan 2', 'Unsubsidized Loan 1', 'Unsubsidized Loan 2', and 'Unsubsidized Loan 3', with an 'Add Loan' button. The 'Payment Plans' section lists 'Minimum Paymets (Current)', 'My Aggressive Plan!', 'Random Payments Plan', and 'Payment Plan V5 (Alternative)', with a 'New Plan' button. The main content area is divided into two columns. The left column contains a 'New Loan / Edit Loan' form with fields for 'Loan Name', 'Loan Detail #1', 'Loan Detail #2', 'Loan Detail #3', and 'Loan Detail #4'. The right column displays six statistics in a grid: 'Statistic #2 \$1000', 'Statistic #3 \$1000', 'Statistic #5 \$1000', and 'Statistic #6 \$1000'. A line graph is visible in the background of the statistics area.

- 1 Clicking "Add Loan" or clicking on a single loan will the add/edit pane
- 2 This pane will be used for both adding or editing a single loan
